ITINERARY

Day 1 | Rio de Janeiro

Arrival in Rio de Janeiro. Transfer to the hotel. Free time.

Take in the breathtaking view as your plane descends upon Rio de Janeiro – the 'Marvelous City' where rolling green hills, turquoise ocean, sandy beaches and high-

rise urban development is all packed together in a unique blend of life and humanity. The natural beauty of Rio is almost transcendental and gives you a taste of the Amazon rainforest while still retaining everything that is so incredible about a Latin American city. A walk along the mosaic tiles of Copacabana reveals much about the life of a 'carioca' (Rio local) – a

refreshing caipirinha as the waves lap against the shore, a fiercely competitive game of foot volleyball, and thousands of beachgoers sunning themselves on the white sands. You have truly arrived in paradise.

Day 2 | Rio de Janeiro

Breakfast at the hotel

Tour to Corcovado Mountain Christ the Redeemer Statue (4 hours)

After breakfast, you'll set off on a tour through the city. Arriving at the station, where the environmentally friendly train will take you through the jungle to the top of Corcovado. On either side of the railway, you will have spectacular views of the Tijuca forest, inhabited by monkeys and other exotic animals and birds. At the top of Corcovado, at an altitude of 700 m above sea level, stands the landmark of Rio – the Statue of Christ the Redeemer (38m), which was built in 1931. You will have a breathtaking panoramic view of the metropolis and its environs Bridge Niteroi, Guanabara Bay, the Botanical Garden, the world's largest soccer stadium, Sugar Loaf, and more is possible from the top of Corcovado.

Additionally, you can have a helicopter flight over Rio starting from \$150. We recommend booking the flight for \$250 per person for 9/10 minutes with a flyover of Christ the Redeemer (price includes transfer) (minimum 4 people, you may be grouped with other clients).

A helicopter flight offers the opportunity to fully enjoy the beautiful views: the blue ocean, mountains covered with tropical greenery, white sandy beaches, yachts, and the entire city: the statue of Christ the Redeemer, the Botanical Garden, the lake, Niemeyer Avenue, the beaches of Leblon, Ipanema, Copacabana, and Sugarloaf. Duration ranges from 10 to 30 minutes.

We recommend trying the famous Brazilian meat at the Fogo de Chao restaurant overlooking Sugarloaf Mountain (\$75).

Day 3 | Rio de Janeiro

Breakfast at the hotel

Free time. We advise you to relax and prepare for the big Carnival party coming up! A fantastic evening is waiting for you – Rio's famous Carnival! You will be picked up at your hotel and taken to the Sambodromo where Brazil's biggest party takes place. You will be able to be part of this huge festival and watch the representatives of the best Samba Schools of Brazil dancing and singing in front of you in their marvellous colourful costumes. The energy coming from the passers-by can be felt in every inch of the venue, and you will definitely fall for it. Sing along with the coral, dance to the drums, get excited with each School and emotional with its components, all this and more. You can enjoy this mind-blowing show the whole night – as long as you want to! You also have the option to be taken back to your hotel – in case you are too tired - after every samba school.

Day 4 | Rio de Janeiro

Breakfast at the hotel

Excursion to the Sugar Loaf & Beaches (4 hours)

A magnificent cable car ride will take you up to Urca Mountain, the stop off between ground level and Sugarloaf. From there you can enjoy a smooth cocktail or sample some of Brazil's many signature dishes. Once arriving to the top of Sugar loaf mountain you will see the captivating beauty of Rio from a different angle, to your left you can see Copacabana beach stretching off into the distance, and on the horizon the faint outlines of Two Brothers and Gávea mountains. Below you are the quaint and intimate Red Beach, while to your right you can see across Guanabara Bay to Niterói and, closer in, Rio's Botafogo and central neighbourhoods, with the unmistakable silhouette of Christ the Saviour casting its eternal gaze over the city. This trip is essential to gain a different perspective on Rio, and to truly understand its beauty.
